This past 17 months, we've seen: 14 ladies that we have impacted at the Homestead Ministry! Many of our ladies are currently on a new career path of dog groomer, dental assistant, optician, florist, a realtor, and soon one gal will be in a property management apprenticeship! We have at least 40 active, committed, hands on volunteers with this ministry! We have an Advisory Team of 9 members, which includes business men & women, a psychiatrist, registered nurses, a survivor of human sex trafficking & others! Many businesses, churches & donors have kept this ministry afloat financially for over a year now! We have been incredibly blessed to see changed lives and help to create bright futures! Merry Christmas from The Homestead Ministry and many thanks to our volunteers, donors, and ministry friends for your love, prayers, and generosity over the course of the past 17 months!! We look forward to a bright new year of ministry together!!

Testimonies
from our gals!

- “The Homestead has been such a tremendous help to me. They have helped me realize deeper issues that I could not see and they do not judge you. The Homestead is like a second home to me!”
- “I felt welcomed when I came and knew this is where I needed to be. My apprenticeship is what I love to do, it’s a passion. The Homestead has been my foundation, my rock.”
- “When I got accepted at The Homestead, I was excited that the Lord had not forgotten me after all of the times I had forgotten Him. If I had kept wandering without the Lord, I would have destroyed and been lost forever.”
